

Spelling Shed

<https://play.edshed.com/login> or download the app

Spelling Shed helps children to practise their spelling via a simple game. The game gives four different degrees of support in the form of difficulty modes; Easy, Medium, Hard and Extreme. Higher levels allow a higher score to be achieved but children can practise as much as they like on lower levels before trying to gain high scores. The scores achieved give a league position and each class has its own league position within a school league and our world league.

It is important to encourage your child to focus on **accuracy** rather than speed when spelling the words.

Your child's teacher will set lists of words that your child should practise and will monitor their progress. Additionally, the children always have access to the Stage 1 & 2, 3 & 4 and 5 & 6 words; these link to the children's year groups.

Please note: you do not have to download the app, you can simply open the website on a web browser. Your child's log in details are in the front of their homework books.

To get the most out of Spelling Shed, we recommended that your child goes on little and often (short bursts of 5-10 minutes 4/5 times a week).

If you have any questions, please don't hesitate to talk to your child's class teacher. Thank you for your continued support.
