**Times Table Rockstars** is a valuable online tool to help children to improve the accuracy and speed of their times table recall... and they earn gold coins at the same time!

It is invaluable for the children to regularly practise and improve these skills both at school and at home.

You can access **Times Table Rock Stars** via the website above, or by downloading the app. Your child's log in details are stuck in their homework book.

To get the most out of **Times Table Rockstars**, we recommended that your child goes on little and often (short bursts of 5-10 minutes 4/5 times a week).
